Re: *Whole Earth Catalog* film/series

Dear Tano,

Thank you for proposing to create a television film or series with us based on the planned *Millennium Whole Earth Catalog*. We would welcome the opportunity to develop this with you and can confirm the following:

• You are an independent producer; you are hereby authorized to act on behalf of LEGACY MEDIA, INC. with regard to obtaining the rights to the subject book.

• Should you be successful in obtaining the necessary rights, you will, as producer, have complete and total creative and administrative control of this project at LEGACY.

I wish you success in your efforts and look forward to working with you on this exciting opportunity.

Best,

COPY
